EDUCATION

B.Tech in Computer Science and Engineering
SRM Institute of Science and technology

06/2021 - Present   *8.00/10.00*

PERSONAL PROJECTS

Smart Kisan (10/2022 - Present)
- Ranked for top 10 Projects in the hackathon

WORK EXPERIENCE

Intern
InGage Technologies pvt. Ltd.

10/2022 - 11/2022   *velachery,India*

InGage is specializing in a patented technology that blends Augmented Reality and 3D animation to engage audiences and build brands

Achievements/Tasks
- Instructed 70+ students
- C# scripting for game animation
- Oculus Integration in Unity

Machine learning domain member
Apple developers club SRM

09/2022 - Present   *Potheri,India*

Achievements/Tasks
- Face detection using cascade algorithm
- Top 10 projects in DSHack 3.0
- NLP

SKILLS

Python Programming   C++ Programming

Unity Engine   Machine Learning   Scikit Learn

Tensorflow

ACHIEVEMENTS

Top 10 in DSHack 3.0
Our Project ranked top 10 in DSHack 3.0 a 36 hour long hackathon conducted by Envision in Aarush

ORGANIZATIONS

InGage Technologies Pvt. Ltd (10/2022 - 11/2022)
Instructor

CERTIFICATES

Advanced C++ programming (12/2022 - Present)

Object-oriented programming (07/2022 - Present)
